

Human Physiological Anatomy – Biology 2710

Unit 3 - Practice Practical

1. Name this formed element.

- a. Thrombocyte
- b. Artery
- c. Erythrocyte
- d. Leukocyte
- e. Vein

2. Determine this blood type.

- a. AB+
- b. O+
- c. B+
- d. AB-
- e. A-

Anti-A

Anti-B

Anti-Rh

3. Name this structure.
- a. Fibrous pericardium
 - b. Visceral pericardium
 - c. Endocardium
 - d. Parietal pericardium
 - e. Myocardium

4. Name this structure.

- a. Left atrium
- b. Left ventricle
- c. Interventricular septum
- d. Right atrium
- e. Right ventricle

5. Name this structure.

- a. Bicuspid valve
- b. Tricuspid valve
- c. Ligamentum arteriosum
- d. Aortic semilunar valve
- e. Pulmonic semilunar valve

6. Name this structure.

- a. Papillary muscle
- b. Auricle
- c. Chordae tendineae
- d. Epicardium
- e. Ligamentum arteriosum

7. Name this structure.

- a. Descending aorta
- b. Right pulmonary artery
- c. Left pulmonary artery
- d. Right pulmonary vein
- e. Inferior vena cava

8. Name this structure.
- a. Descending aorta
 - b. Left coronary artery
 - c. Ascending aorta
 - d. Right coronary artery
 - e. Aortic arch

9. Name this structure.

- a. Cardiac vein
- b. Inferior vena cava
- c. Left anterior descending artery
- d. Left pulmonary vein
- e. Brachiocephalic vein

10. Name this structure.

- a. Bicuspid valve
- b. Tricuspid valve
- c. Pulmonic semilunar valve
- d. Aortic semilunar valve
- e. Opening to coronary sinus

11. Name this structure.

- a. Right coronary artery
- b. Left anterior descending artery
- c. Right common carotid artery
- d. Marginal artery
- e. Circumflex artery

12. Name this structure.
- a. Posterior tibial artery
 - b. Inferior mesenteric artery
 - c. External iliac artery
 - d. Femoral artery
 - e. Popliteal artery

13. Name this structure.

- a. External iliac artery
- b. Internal iliac artery
- c. Femoral artery
- d. Left common iliac artery
- e. Left common carotid artery

14. Name this structure.

- a. Common carotid artery
- b. External carotid artery
- c. Internal carotid artery
- d. Facial artery
- e. Superficial temporal artery

15. Name this structure.

- a. External carotid artery
- b. Right common carotid artery
- c. Brachiocephalic trunk
- d. Left common carotid artery
- e. Left subclavian artery

16. Name this structure.

- a. Internal iliac artery
- b. Superior mesenteric artery
- c. Renal artery
- d. Celiac trunk
- e. Inferior mesenteric artery

17. Name this structure.

- a. Brachial artery
- b. Radial artery
- c. Ulnar artery
- d. Axillary artery
- e. Right subclavian artery

18. Name this structure.

- a. Abdominal aorta
- b. Inferior vena cava
- c. Ascending aorta
- d. Celiac trunk
- e. Inferior mesenteric artery

19. Name this structure.
- a. Left subclavian artery
 - b. Brachial artery
 - c. Ulnar artery
 - d. Radial artery
 - e. Axillary artery

20. Name this structure.

- a. Hypogastric artery
- b. Superior mesenteric artery
- c. Vertebral artery
- d. Renal artery
- e. Inferior mesenteric artery

21. Name this structure.
- a. Cardiac vein
 - b. Left pulmonary vein
 - c. Left pulmonary artery
 - d. Right pulmonary vein
 - e. Pulmonary trunk

22. Name this structure.

- a. Fossa ovalis
- b. Aortic semilunar valve
- c. Opening to coronary sinus
- d. Interatrial septum
- e. Opening to coronary artery

23. Name this structure.

- a. Abdominal lymph node
- b. Cervical lymph node
- c. Cisterna chyli
- d. Thoracic duct
- e. Inguinal lymph node

24. Name this structure.
- a. Axillary lymph nodes
 - b. Cervical lymph nodes
 - c. Lymphatic vessels
 - d. Right lymphatic duct
 - e. Inguinal lymph nodes

25. Name this structure.

- a. Diaphragm
- b. Lung
- c. Spleen
- d. Thymus gland
- e. Thyroid gland

26. Name this structure.

- a. Vein
- b. Artery
- c. Venule
- d. Capillary
- e. Arteriole

27. Name this structure.

- a. Bulb
- b. Sphygmomanometer
- c. Stethoscope
- d. Spirometer
- e. Pressure gauge

28. Name this structure.

- a. Superior vena cava
- b. Left brachiocephalic vein
- c. Left subclavian vein
- d. Pulmonary trunk
- e. Azygos vein

29. Name this structure.

- a. Femoral vein
- b. Hypogastric vein
- c. External iliac vein
- d. Great saphenous vein
- e. Popliteal vein

30. Name this structure.

- a. Azygos vein
- b. Internal jugular vein
- c. Righty brachiocephalic vein
- d. External jugular vein
- e. Right subclavian vein

31. Name this structure.

- a. Cephalic vein
- b. Brachial vein
- c. Basilic vein
- d. Median cubital vein
- e. Axillary vein

32. Name this structure.

- a. Hepatic vein
- b. Superior mesenteric vein
- c. Inferior vena cava
- d. Hepatic portal vein
- e. Inferior mesenteric vein

33. Name this structure.

- a. Inferior vena cava
- b. Superior mesenteric vein
- c. Splenic vein
- d. Hepatic vein
- e. Inferior mesenteric vein

34. Name this structure.

- a. Spirometer
- b. Sphygmomanometer
- c. Stethoscope
- d. Air control valve
- e. Pressure gauge

35. Name this structure.

- a. Left atrium
- b. Left ventricle
- c. Interventricular septum
- d. Right atrium
- e. Right ventricle

36. Name this structure.

- a. Papillary muscle
- b. Bicuspid valve
- c. Chordae tendineae
- d. Epicardium
- e. Ligamentum arteriosum

37. Name this structure.
- a. Bicuspid valve
 - b. Tricuspid valve
 - c. Pulmonic semilunar valve
 - d. Aortic semilunar valve
 - e. Opening to coronary artery

38. Name this structure.

- a. Inferior lobe
- b. Upper lobe
- c. Oblique fissure
- d. Middle lobe
- e. Horizontal fissure

39. Name this structure.

- a. Inferior lobe
- b. Upper lobe
- c. Lower lobe
- d. Middle lobe
- e. Two of the above.

40. Name this structure.

- a. Cricoid cartilage
- b. Epiglottis
- c. Arytenoid cartilage
- d. Thyroid cartilage
- e. Cricothyroid membrane

41. Name this structure.

- a. Cricoid cartilage
- b. Epiglottis
- c. Arytenoid cartilage
- d. Thyroid cartilage
- e. Cricothyroid membrane

42. Name this structure.

- a. Cricoid cartilage
- b. Epiglottis
- c. Arytenoid cartilage
- d. Thyroid cartilage
- e. Cricothyroid membrane

43. Name this structure.

- a. Nasal cavity
- b. Oropharynx
- c. Nasopharynx
- d. Trachea
- e. Laryngopharynx

44. Name this structure.

- a. Palatine tonsil
- b. Uvula
- c. Adenoid
- d. Lingual tonsils
- e. Oral vestibule

45. Name this structure.

- a. Inferior nasal concha
- b. Middle nasal concha
- c. Naris
- d. Superior nasal concha
- e. Oral cavity

46. Name this structure.

- a. Bronchus
- b. Alveolus
- c. Bronchiole
- d. Trachea
- e. Carina

47. Name this structure.

- a. Bronchiole
- b. Bronchus
- c. Laryngopharynx
- d. Carina
- e. Trachea

48. Name this structure.

- a. Bronchus
- b. Alveolus
- c. Bronchiole
- d. Trachea
- e. Carina

49. Name this structure.

- a. Fibrous pericardium
- b. Visceral pleura
- c. Epicardium
- d. Parietal pleura
- e. Pleural cavity

50. Name this formed element.

- a. Thrombocyte
- b. White blood cell
- c. Erythrocyte
- d. Leukocyte
- e. Two of the above.
